

Your donations make a difference!

We are deeply grateful for the ongoing generosity of our community, which plays a vital role in ensuring Groveland's parks and recreation facilities remain some of the best in the county. With your support, we are able to enhance these important spaces and secure the necessary funding to apply for larger grant opportunities. This ensures that all visitors have access to safe, beautiful, and well-maintained parks and recreational areas for years to come.

What amenities do our parks and recreation facilities provide?

Groveland's parks and recreation facilities are designed to offer something for everyone, whether you're looking to engage in daily sports, enjoy outdoor activities, or simply relax and unwind. In addition to recreational amenities, Mary Laveroni Park includes a large venue perfect for hosting community events, festivals, or private gatherings.

Dog Park • Playground • Basketball Court • Skate Park • Baseball Field • Outdoor Stage • Concession Stand • Trails

Future Improvements

- Construction of a larger stage to promote outdoor entertainment and educational opportunities
- Permanent retractable screen and upgraded sound system for Movies in the Park and future events
- Permanent stage lighting
- Upgrade Skate Park structure
- Funding for the second phase of HHR Trail Project and extended trail system connecting to the park

Current Projects

Mary Laveroni Park is undergoing a major transformation! The Groveland Asset Rehabilitation and Beautification Project is now underway, thanks to the \$1,027,145 grant funded by the Clean California Local Grant Program. The funding will support the improvement and addition of several amenities to enhance accessibility and functionality. Please stop by and take a look around!

We are equally excited about the upcoming Hetch Hetchy Railroad (HHR) Phase 1 Trail Project, which is set to be completed by 2028. This project is generously funded through State and Federal Transportation grants, totaling \$5.4 million. Phase 1 of the project will feature a 1.7-mile trail that will connect the Groveland Sports Complex to Deer Flat Road, offering both locals and visitors a beautiful and accessible outdoor route to enjoy.
